## State Board of Education Approved Home Language Survey

The Hancock Public School District is collecting information regarding the language background of each student. This information will be used by the district to determine the number of children who should be provided bilingual instruction according to Sections 380.1152-380.1157 of the School Code of 1995, Michigan's Bilingual Education Law. Would you please help by providing the following information?

Thank you very much for your cooperation.
