Many social studies concepts are incorporated in our Fountas & Pinnell Reading.

Scholastic News

**WIN Time**

Barkell Elementary has WIN (what I need) three times a week (grades K-3) & two times a week (grades 4 & 5) for reading and twice a week (grades K-5) for math. During WIN time, all students in a grade level are in **flexible groups** for instruction on specific learning targets dependent upon their needs.
