Notice of Vacancy - High School SME-PRIME Manufacturing & STEM Lead Faculty

Hancock Public Schools is seeking a self-starting, creative, innovative and growth mindset teacher for the Position of **High School SME-PRIME Manufacturing & STEM Lead Faculty for Hancock Central High School**. This position focuses on student career pathways through our SME-PRIME manufacturing curriculum and in supporting certifying credentials for our students within the following industry areas:

- Additive manufacturing
- Computer-aided design & manufacturing
- Engineering
- Industrial maintenance
- Machining and fabrication
- Materials science
- Mechatronics and robotics
- Metrology and quality

Additionally, our SME-PRIME Manufacturing and STEM Lead Faculty member will work with the principal and superintendent to build and enhance relationships with local manufacturing and engineering partners to add ‘outside the classroom’ and industry related experiences for our students. This position requires a valid State of Michigan Secondary Education Certification (or ability to attain), with **special consideration being given to those with CTE certification and/or multiple certifications within manufacturing technologies, science and/or technology (including coding & robotics)**. For the right individual, this is an opportunity to create a sustainable program that will provide a foundation of skills for our high school students that will serve them personally and professionally for a lifetime.

We plan to fill the position as soon as we find the right candidate and will begin interviewing immediately. The position will start in the 2024-25 school year.

Apply to: Chris M Salani, Superintendent
